We leave Jerusalem and head to the **Valley of Elah** where David slew Goliath. For the remainder of the day prepare to 'get dirty' as you participate in an archaeological dig under Tel Maresha at **Beit Guvrin**. You will discover pottery from the time of the Maccabees and develop an appreciation for the tremendous and challenging work of archaeologists! Then we travel to Beer Sheva in the Negev Desert, named by Abraham 4000 years ago. Since then, Beer Sheva has held an important place in the history of Israel.

Next, we visit **Tel Beer Sheva** where archaeologists have uncovered two-thirds of a city dating from the early Israelite period (10th century BCE.) This city is located on the edge of the wilderness near the confluence of the Beer Sheva and Hebron Streams. The meticulously planned water system of this city demonstrates impressive engineering expertise. As such we have conquered the Ancient land of Israel from Dan to Beer Sheva!!

The journey continues and concludes at the heart of modern Israel with an evening in Tel Aviv. A hands-on **Israeli cuisine workshop** with full participation required and plenty of wine is our celebration farewell dinner to complete a very hands-on practical day!!
