Getting Prepared

Prior to Departure

It is highly suggested that you arrive at least 3 hours prior to your flight's departure for security checks and proper seating arrangement.

You do not require any airline documentation (e-tickets, etc.) for your flight. Upon arrival to the check-in, please simply offer your passports to the counter attendant and confirm your seating choice. At this time, you can typically confirm your seats for your international flight as well as your return domestic flight. The airlines do not typically issue flight seats for the return international flight from Tel Aviv until the day of departure.

Kindly note that we have made any seating request you have made to the airline. The airlines are notorious for not computing this in advance. In the event that a seat choice that you prefer is not available, it is advised to check with other members of the group to see if someone will switch with you.

Upon Arrival to Ben Gurion Airport

After deboarding the plane, enjoy an easy walk to Passport Control (paying note to 'A Nice Piece of History' - see next section - along the way).

In Israel, we do not stamp passports, but issue a separate tourist Visa card for entering the country. **Please keep this card in your Passport**

throughout your entire trip. Many hotels and Stores require this now for Tax Exemption.

For all incoming travelers, our airport representative will be meeting you immediately **after Passport Control**, holding a **sign for "Samson Tours."** If you have a major flight change, please contact us asap to ensure that we are prepared; otherwise, we'll be tracking your flight and there is no need to worry. Our representative will assist you to the baggage carousel, through Customs and into the Arrivals Hall to meet your driver. If you are not on the group flight, please contact us to ensure that we have your separate flight details and instructions on how to meet the group.

IF, for some reason you bypass our agent or are not met properly, please wait at your baggage carousel until see your bags. If not met by our representative by then within a reasonable time, you may exit the Arrivals Hall and remain at the Coffee shop (off to your right) with your bags and remain there until you are received by a representative. You may also **phone or text +972-50-7152575** at any time to connect with our Agency.

A Nice Piece of History at Ben Gurion Airport

As you enter Ben Gurion Airport, look up just before you enter the customs hall. The mosaic on the top left is from Bethlehem in the Galilee; it is roughly 7 miles west-northwest of Nazareth. This town dates from the early biblical period (12th cent. BCE), being a portion of the land of Zebulun (Joshua 19:14-16) and perhaps the home of the Judge Ibzan (Jud 12:8-10). The Jewish town belonged to the 24 Mishmerot Cohanim (Temple Priests) villages (1Chronicles 24:5-6, 9).

The mosaic on the top right is from Beth Shean and has a Greek inscription: "Peace to the one who enters and to the one who exits" (see Deut 28:6). Obviously, this text is appropriate for those visiting the Holy Land.

Your Security & Safety

Israel continues to be a very volatile place but with the strongest security in the world, as well as one of the best track records in safety for its tourists. We would highly recommend that you read our [Security Page](#) on our website to familiarize yourself with the proactive steps we take to ensure that your trip runs safely and smoothly. Our guides and drivers are expertly trained in how to respond to immediate security and safety issues. Sometimes this may entail foregoing a site and replacing it with an equal or better experience.

If you have any specific questions, before or during the tour, please do not hesitate to ask your guide how you should respond to a certain security risk, and be certain to make your guide known of any specific health limitations that you might have, so that he can take into consideration from site to site.

Free WIFI on the Bus, Hotels & Ways to Connect

We were the first company in Israel to provide guaranteed free WIFI to tour members, so that you can stay in touch with family members via email or share your experiences instantly on Social Media. Enjoy, but try to remember...you're on vacation!

Most of our hotels will offer free WIFI too, at the very least in the lobbies.

We highly recommend that all members use Stops.com so that we can remain connected at all times. Stops is a great way to share pictures, be in Messenger contact with your guide, agent and tour leader, and also stay connected with family and friends back home. Once you have downloaded the application, please let us know if you do not see yourself as a member of the group's Cube = Messenger group. Please note, this app is safe for your phone and is at the early stage of a 6-month period of pilot testing before public delivery.

Travel Insurance

Samson Tours does not “require” travel insurance. It is, however, strongly advised that **all travelers** equip themselves with a comprehensive travel insurance plan through World Nomads. Travel Insurance coverage begins ONLY from the time you have purchased travel insurance. It is advisable only to purchase travel insurance when you have made non-refundable payments that exceed the amount of travel insurance purchased.

Money Exchange

Unless specified, most everything is included in the tour price, except for lunches, some dinners and gratuities for your guide and driver (tips for hotel staff are already included). It is suggested that you bring around \$250-\$500 cash with you to cover these expenses throughout the tour. Of course, you can withdraw money easily throughout the tour.

either Shekels (all bank ATMs) or U.S. dollars (Leumi Bank only) from your debit or credit card. It is not suggested to change money at the airport due to poor exchange rates. You'll have plenty of opportunities in your first few days of touring. Traveler's checks are discouraged as most change places charge a fee or provide you with a lower exchange rate for them. \$100 bills typically provide you with the best rate of exchange. To check the current exchange rate, visit [Yahoo's currency converter](#).

To learn more about Israel's water supply, visit the [Mekorot](#) website.
