Monday, March 9th (B/D)

We start our day atop the **Mount of Beatitudes** and read from Matthew 5, the Sermon on the Mount. We continue with an amazing **boat ride on the Sea of Galilee**, where we will have time for worship. Afterwards, we visit the recently excavated "Jesus boat" from the first century, a vessel found here along the shores of Galilee in 1986. We continue on to **Capernaum**, the center of ministry for Jesus in Galilee. Next, we visit **Tabgha**, remembering the story of the feeding of the 5,000 and John 21 with Jesus calling out to Peter to cast the fishing net on the right side. Following our stop for a St. Peters Fish lunch at a seaside restaurant (optional, not included) we will conclude our touring around the Sea of Galilee. First visiting the 1st Century remains of **Magdala** including the greatest highlight of all: A 2000 yrs old Synagogue. We continue to travel to **Mt. Arbel** to enjoy the view of the Sea of Galilee (John 6:23) and connect with the footsteps of having been chased out of **Nazareth**. We

Tuesday, March 10th (B/D)

After breakfast, we make our way north through the **Hula Valley** stopping first at **Tel Hazor**, a city taken by Joshua (Joshua 11:10-14). We then head to **Tel Dan** where we will tour extensively and include a visit at the Canaanite – Bronze era mud brick gate that has been nicknamed the "Gate of Abraham". We continue to **the fortress of Nimrod** and having toured the 12th and 13th century fortress we will make a trail descent by foot down the ridge of Mt Hermon and find in the foothills the springs of **Banias** and the site of Caesarea Philippi. This is where Peter made his declaration about Jesus (Matt. 16). Next we will visit one of the Druze villages perched on the Golan heights where we will have a traditional meal and receive an explanation and hospitality by our host. After enjoying the tastes and spices of this Middle Eastern cuisine we will head to the **Mt. Bental overlook**. From this former military base, we can look into Syrian territory and learn about the village of Kunetra and the 1967 & 1973 Wars.

We return to our hotel in Galilee for dinner and overnight.

Wednesday, March 11th (B/D)

After breakfast, we leave the Galilee and make our way along the Jordan Valley to first visit the Biblical site of **Beit Shean**, a well-preserved Decapolis Roman city. Here the bodies of King Saul and his sons were hung from the city walls after they were defeated by the Philistines (1 Samuel 31:10-12). We continue our drive through the Wilderness of Judah for **Jericho**, first stopping at **Qaser-El Yehuda Baptismal site** where tradition believes Jesus was baptized by John the Baptist before we view from outside the ancient city where the wall came tumbling down (Joshua 2-6; Mark 10:46; Luke 19:1). Then we climb from the lowest place in the world to the "highest" - at least spiritually speaking – Jerusalem bound! The climax of the "Aliya" (rise) through **the Judean Wilderness** is to reach the peak of **Mt. Olives**. From here we will overlook over the Holy sites and start our descent on **Palm Sunday road** to the depths of the **Kidron Valley**, the location of **Gethsemane**. Here we will conclude our day with some private and quiet time amongst the **Garden of Gethsemane** (Ambo Garden).

Thursday, March 12th – (B/D)

Rising for an early morning visit on **the Temple Mount** will start our day off early in an attempt to beat the crowds but be aware that queuing in line may take some time with no sitting area and only limited shade. This will allow us to tour the platform but not enter the restricted areas for Muslims only such as inside the **Dome of the Rock and the Al Aqsa Mosque**. Having experienced what is above we are going to go underneath the city's streets and homes as we explore the entire length of the Western wall in the excavations of the **Western Wall Tunnels**. This leads us to the **St Anne Church** and the area of **Bethesda Pools** that we find in Jesus healing the paralyzed man in John Chapter 5. The

continuation of the morning is in the **Mt. Zion** area outside the **Jewish Quarter** where we will pick up from the events of Holy Week that we left off in the Garden of Gethsemane when we arrive at the traditional place for the house and courtyard of Caiaphas the high priest. The traditional room of **the Last Supper** is also here and this will lead us into the Jewish quarter to explore some of the excavations here that are now part of the streets of the modern Jewish quarter that has been rebuilt since the 1967 Six Day War. Here we will have lunch before walking down to the **Southern Wall and Ophel excavations** and the **Davidson Visitor Center**. The conclusion of our day is to walk in the footsteps of David and the ancient Jerusalem that is hidden in the **City of David** and concludes our day by walking in the flowing waters of the **Siloam tunnel** (Hezekiah's Tunnel – Wet or Dry route is optional) and finding the 2000 yrs Old Pool of Siloam!

Dinner and overnight in Jerusalem: [Kibbutz Ramat Rachel](#)

Friday, March 13th (B/D)

Our morning begins in the **hills of West Jerusalem** following a scar on the Judean landscape that will never heal like the loss of European Jewry and the 1000 yrs of Jewish life that will fall as victims to the Nazi Holocaust. This is a memorial for all those who were murdered but also an exhibition for all of us to reflect and experience in order to ensure that modern societies will never again fall to the depths of darkness as the era of attempted total eradication of human life by western societies. Israel as a nation will never meet a foreign dignitary before he/she has at least laid a reef at the hall of remembrance and we will visit the museum as well as the memorials in an attempt to deal with this enormous subject with a visit of 2 hours here. Returning to the paths of tradition and pilgrimage we will pick up the **Via Dolorosa** and follow most of the 14 stations as we climb to Latin Calvary, A break for lunch at the

Saturday, March 14th (B/D)

The climax and pinnacle of a pilgrimage tour is a visit to the **Garden Tomb**, where we will have worship and communion. Afterwards, only a short journey from Jerusalem and adjacent to the **hills of Bethlehem** is the **Herodian Fortress**, another relic of King Herod's world and the site that he chose to be buried. King Herod's fortress Palace, Burial site, Odeon theater and water cisterns that were later used by Jewish rebels are all on display here as we meander our way through this impressive desert site! For lunch we return to West Jerusalem at the Israel museum and we visit the **Shrine of the Book**, where the Dead Sea Scrolls are displayed, the **model of the 2nd temple Era** and the archeological wing of the national museum. Following dinner we have a night **Sound & Light Show at the Tower of David** that summarizes 5,000 years in a 45 mins light show spectacular!

Dinner and overnight in Jerusalem: [Kibbutz Ramat Rachel](#)

Sunday, March 15th (B)

We leave Jerusalem and head to the **Valley of Elah** where David slew Goliath. For the remainder of the morning prepare to 'get dirty' as you participate in an **archaeological dig under Tel Maresha at Beit Guvrin**. You will discover pottery from the time of the Maccabees and develop an appreciation for the tedious work of archaeologists! Then we travel to **Beer Sheva** in the Negev Desert, named by Abraham 4000

years ago. Since then, Beer Sheva has held an important place in the history of Israel. Next, we visit **Tel Beer Sheva** where archaeologists have uncovered two-thirds of a city dating from the early Israelite period (10th century BCE.) This city is located on the edge of the wilderness near the confluence of the Beer Sheva and Hebron Streams. The meticulously planned water system of this city demonstrates impressive engineering expertise. We continue along the southern border of ancient Judea and arrive at **Tel Arad**, one of the earliest examples of fortified city life from the dawn of the Bronze Era and settlement civilizations, as well as an Israelite era fortress and a temple to Yahweh! This is a unique site and window opener into ancient Judea on the brink of destruction! The day completes with arriving at Ein Bokek Hotel resort at the Dead Sea.

Dinner and overnight at the Dead Sea: [Daniel Dead Sea](#), Ein Bokek

Monday, March 16th (B/D)

After breakfast, we depart the Dead Sea Hotel for a short drive to **Masada**. Here we ascend high upon the wilderness mountain, by way of the cable car, to the fortress built by King Herod. We survey the ruins of the fortifications, waterworks, the synagogue, temples and palaces. We have an optional walk back down the snake path. We then continue our drive for **Ein Gedi**, where David hid from King Saul. We enjoy a walk back to the waterfalls, hopefully seeing a few Ibex along the way. In the afternoon, continue north to **Qumran** and the settlement of the first century Dead Sea Sect, the authors of the Dead Sea Scrolls. Return to the hotel on the Dead Sea, where we have an opportunity to go for a **swim/float (included) or enjoy a spa treatment** at the hotel (not included).

At this time, you can typically confirm your seats for your international flight as well as your return domestic flight. The airlines do not typically issue flight seats for the return international flight from Tel Aviv until the day of departure.

Kindly note that we have made any seating request you have made to the airline. The airlines are notorious for not computing this in advance. In the event that a seat choice that you prefer is not available, it is advised to check with other members of the group to see if someone will switch with you.

Upon Arrival to Ben Gurion Airport

After deboarding the plane, enjoy an easy walk to Passport Control (paying note to 'A Nice Piece of History' - see next section - along the way).

In Israel, we do not stamp passports, but issue a separate tourist Visa card for entering the country. **Please keep this card in your Passport throughout your entire trip. Many hotels and Stores require this now for Tax Exemption.**

For all incoming travelers, our airport representative will be meeting you immediately **after Passport Control**, holding a sign for "**Samson Tours**." If you have a major flight change, please contact us asap to ensure that we are prepared; otherwise, we'll be tracking your flight and there is no need to worry. Our representative will assist you to the baggage carousel, through Customs and into the Arrivals Hall to meet your driver. If you are not on the group flight, please contact us to ensure that we have your separate flight details and instructions on how to meet the group.

IF, for some reason you bypass our agent or are not met properly, please wait at your baggage carousel until see your bags. If not met by our representative by then within a reasonable time, you may exit the Arrivals Hall and remain at the Coffee shop (off to your right) with your bags and remain there until you are received by a representative. You may also **phone or text +972-50-7152575** at any time to connect with our Agency.

A Nice Piece of History at Ben Gurion Airport

As you enter Ben Gurion Airport, look up just before you enter the customs hall. The mosaic on the top left is from Bethlehem in the Galilee; it is roughly 7 miles west-northwest of Nazareth. This town dates from the early biblical period (12th cent. BCE), being a portion of the land of Zebulun (Joshua 19:14-16) and perhaps the home of the Judge Ibzan (Jud 12:8-10). The Jewish town belonged to the 24 Mishmerot Cohanim (Temple Priests) villages (1Chronicles 24:5-6, 9).

The mosaic on the top right is from Beth Shean and has a Greek inscription: "Peace to the one who enters and to the one who exits" (see Deut 28:6). Obviously, this text is appropriate for those visiting the Holy Land.

Your Security & Safety

Israel continues to be a very volatile place but with the strongest security in the world, as well as one of the best track records in safety for its tourists. We would highly recommend that you read our [Security Page](#) on our website to familiarize yourself with the proactive steps we take to ensure that your trip runs safely and smoothly. Our guides and drivers are expertly trained in how to respond to immediate security and safety issues. Sometimes this may entail foregoing a site and replacing it with an equal or better experience.

If you have any specific questions, before or during the tour, please do not hesitate to ask your guide how you should respond to a certain security risk, and be certain to make your guide known of any specific health limitations that you might have, so that he can take into consideration from site to site.

Free WIFI on the Bus, Hotels & Ways to Connect

We were the first company in Israel to provide guaranteed free WIFI to tour members, so that you can stay in touch with family members via email or share your experiences instantly on Social Media. Enjoy, but try to remember...you're on vacation!

Most of our hotels will offer free WIFI too, at the very least in the lobbies.

We highly recommend that all members use [Stops.com](#) so that we can remain connected at all times. Stops is a great way to share pictures, be in Messenger contact with your guide, agent and tour leader, and also stay connected with family and friends back home. Once you have downloaded the application, please let us know if you do not see yourself as a member of the group's Cube = Messenger group. Please

Travel Insurance

Samson Tours does not “require” travel insurance. It is, however, strongly advised that **all travelers** equip themselves with a comprehensive travel insurance plan through World Nomads. You can obtain an individual travel insurance quote, by visiting our [Insurance page](#) and clicking on any of the ‘Get a Quote’ links that refer you to our partner’s website. Travel Insurance coverage begins ONLY from the time you have purchased travel insurance. It is advisable only to purchase travel insurance when you have made non-refundable payments that exceed the amount of travel insurance purchased.

Historically, the weather in Israel and Jordan during the month of **June** is beautiful with an average **High of 82F and an average Low around 59F in Jerusalem**. Note that at the Dead Sea and in Jordan we should expect temperatures at least 7-10 degrees higher.

For a complete historical overview of weather by month, please visit [this website](#).

Money Exchange

Unless specified, most everything is included in the tour price, except for lunches, some dinners and gratuities for your guide and driver (tips for hotel staff are already included). It is suggested that you bring around \$250-\$500 cash with you to cover these expenses throughout the tour. Of course, you can withdraw money easily throughout the tour.

ATMs (Hebrew: *kaspomat*) are widely available throughout Israel. Upon arrival, you'll have the opportunity to either withdrawal monies in either Shekels (all bank ATMs) or U.S. dollars (Leumi Bank only) from your debit or credit card. It is not suggested to change money at the airport due to poor exchange rates. You'll have plenty of opportunities in your first few days of touring. Traveler's checks are discouraged as most change places charge a fee or provide you with a lower exchange rate for them. \$100 bills typically provide you with the best rate of exchange. To check the current exchange rate, visit [Yahoo's currency converter](#).
