

## Israel Super Sites Tour

**Feb. 15 - March 1, 2022**

---

**13 days/12 Nights on Land (15 travel days altogether)**

---

Led by:  
**Dr. David Cloud**

**Come along and start seeing the Bible  
“in color, instead of black and white”!**

## **Life-changing Benefits of this Tour**

A well-planned, well-prepared, well-led Israel tour is life changing.

*It transforms one's perspective of the Bible.* It replaces *no* mental images of biblical scenes with full-color, full-life, moving images! One man described it as seeing black and white before visiting Israel and seeing color after, but it is *far* more than that. The Bible student who has serious on-ground knowledge of Israel pays attention to *the details* of Scripture in a way that he never did before, and that is transformative. And it continues to be transformative as time passes.

*It transforms one's perspective of Bible prophecy.* I loved and studied Bible prophecy and taught it for 37 years before my first visit to Israel, but since then, prophecy has come alive in the most dramatic and unexpected way. To see the actual place of the Battle of Armageddon, the place where Jesus' feet will stand when He returns to the Mt. of Olives, the place where the Third Temple will be built, to see the ongoing preparations for its construction, to see the place where the living waters from the Millennial Temple will heal the Dead Sea and fishermen will cast their nets from Eingedi, is transformative. When I am in Israel, I feel like the place is vibrating in anticipation of the next events on God's prophetic program, and that feeling of anticipation has grown in intensity every year.

*It transforms one's preaching/teaching.* One element of effective Bible teaching is to get into the background of the text and help make it come alive for the hearers. Few things can enable a preacher/teacher do this better more than a proper visit to Israel.

## **Unique Features of this Tour**

Our goal is to provide the most effective education possible from an Israel tour to strengthen preaching ministries and churches.

The tour members will be thoroughly prepared and educated before arriving in Israel--in history, archaeology, geography, and prophecy--so they can get the absolute most benefit from their visit. I get no money or personal benefit from these tours. I pay my own way. The only reason I lead them is to educate select preachers who will educate others. One pastor recently told me that he took a trip to Israel last year and he actually got a lot more from studying my book *Jets in Fighter Jets: Israel Past, Present, and Future*. He had the typical tourist tour. He was given almost no preparation, hardly knew where he was most of the time, and had a guide lacking in spiritual wisdom.

We are going to do our best to create in the tour members a hunger to continue to study Bible history, geography, archaeology, etc., diligently for the rest of his or her life, and point to resources that can be used toward that end.

The tour is scheduled at a good time of the year for weather, not too hot or cold, and it is just after the rainy season so everything is usually green and pretty and there is water in river beds that are often dry (such as the Kishon). (Budget tours are during the off season before the middle of February when it is cold and wet.)

We are seeing the Red Sea and spending time in the desert where Israel wandered, which are off the beaten path.

We are going to be able to float in the Dead Sea, not just see it from a distance.

We are visiting Jericho, which is also off the beaten path, and we are walking part way down to Jericho through the mountains from up near Jerusalem to get the feel for what that journey was like in Jesus' day.

We are spending quality time along Israel's beautiful Mediterranean coast.

We will visit Independence Hall to see the birthplace of the state of Israel, a major step toward the fulfillment of Bible prophecy.

We will see the preparations for the Third Temple, which is mentioned three times in Bible prophecy.

We will have a guided tour of the Israel Museum by the author of *Biblical Treasures in the Israel Museum*.

Some of other things we will see that are off the beaten path are Mt. Gerizim and Mt. Ebal (where the blessings and curses of the Mosaic law were pronounced), Shiloh (where the Tabernacle was located until Samuel's time), Jezreel (Ahab's summer palace, where Naboth was murdered and Jezebel was thrown out of the palace window and trodden under foot by Jehu's horse), Harod Spring (where Gideon divided his men), Hazor (the head of the northern Canaanites in Joshua's day), Mt. Arbel (breathtaking views of the Sea of Galilee), Nazareth Village (a living museum, excellent recreations of cultural things from Jesus' day), and the Western Wall Tunnel.

## Tuesday, March 1 (B) – Return home

---

- Arrive back to your home city.

## Policies

- Final Hotels & Itinerary: We typically post final hotel choices 6 months in advance and you may find links to them in the itinerary itself. Along the way, we reserve the right to update the hotel, change a site or replace any service with an equal or better-quality experience or value.
- Group Minimum: A minimum of 11 paying adult passengers are required. If this minimum is not reached by the Early-Bird special date, we may either a.) request that all adult tour members pay a supplement for the increase in costs of no greater than \$500.00 per person and operate the group at the same quality; b.) lower the hotel class by at least 1 star to offset the increased costs; or c.) postpone the dates until a minimum number of participants are achieved.
- Deposit & Payments: This tour has a non-refundable (but transferable) **\$300.00** deposit per person upon signup. The deposit can be paid by debit/credit card, check, money order, over-the-counter deposit. You can make monthly payments of any amount toward your balance from your online account or contact us for setting up a payment plan. Important Note: We provide a significant discount for paying your final balance by check (see add-ons).
- Late Registration: Any registration beyond the Early-bird deadline will be subject to a strict, minimum \$200 per person fee (see add-ons) due to the amount of work involved with updating hotels, airlines and service providers on your behalf. In some cases, there can be an increase in costs as well, especially for flights.
- Group Airfare: A group airfare must have 10 or more passengers on the same group flight. Group flights are not always more affordable, but they are far more flexible in terms of cancellations and deposit refunds than individual airfares. Typically, only 10% of the tickets may diverge from the main group international flights. Passengers may book their own domestic airfare to/from the main group departure hub or ask us to get a quote for your connection.
- Individual Airfare: If we do not offer a group airfare for your tour, you or we may book your flight individually. We're happy to do the job for you and provide the best airfare for the best quality versus price for just a \$50.00 fee + the actual cost of the flight that you. To book your individual airfare, send us

your passport, credit card details, seating preference, and Miles card if you have one. Individual airfares are non-refundable, but typically can be changed up to 1 year for a fee and remember you may be subject to 'diversion' costs, such as special transfers or extra overnights.
